THE THIRD ANNUAL ANNOUNCEMENT
OF THE
Council of the College of Physicians and Surgeons.
OF ONTARIO.

The College of Physicians and Surgeons of Ontario is not a Teaching Body, but is simply the Corporate name of the Profession in Ontario.

The Council of the College is the body entrusted by Act of Parliament (22 Vic. Cap. 45,) with legislative power in matters relating to medical education, having power to make By-Laws for determining the admission and enrollment of students; and authority to fix and determine, from time to time, upon a curriculum of studies to be pursued by students; and to appoint Examiners in preliminary education; also, power to appoint a Board of Examiners by whom all persons must be examined, touching their qualification to practise, before they can be registered according to law, and participate in the benefits of registration

In conformity with the power thus given, the following regulations have been established, and are promulgated for the information and guidance of the profession and the public.

SECTION I.
MATRICULATION.

1. The examinations in preliminary education will be held in Toronto and Kingston, on the first Tuesday and Wednesday of January, April, July and October of every year.

2. Every student must pass a satisfactory examination in the following subjects, viz. :—

- a. English Language, including Grammar and Composition.
- b. Arithmetic, including Vulgar and Decimal Fractions.
- c. Algebra, including Simple Equations.
- d. Geometry, first two books of Euclid.
- e. Latin, Translation and Grammar

And in one of the following subjects, the student having the option of naming the one in which he will be examined.

- f. Greek.
- g. French.
- h. German.
- i. Natural Philosophy, including Mechanics, Hydrostatics and Pneumatics,

NOTE.—*Students are recommended to select Natural Philosophy, or one of the Modern Languages.*

3. The following are the text-books in the various branches enumerated below. Where more than one is named the student may elect which he will be examined in :—

- c. French—First chapter of *Telemaque* ; *Charles XII*.
- d. German—Adler's Reader, first part.
- e. Natural Philosophy—Peck's Ganot ; Sangster's first book.

4. Evidence of having passed a matriculation examination in any of the medical institutions of Canada, prior to July, 1869, will exempt from matriculating before the Examiners of the Council, on payment of two dollars, provided that the various teaching bodies in Ontario, furnish the Registrar a list of those who have passed prior to the above date, on or before the 20th of May, 1870, and the students of such colleges as fail to comply with this requisition, will be required to pass the matriculation established by the Council.

5. Graduates and matriculants in Arts in any University in her Majesty's Dominions are not required to pass the examination, but must register their names with the Registrar of the Council, and pay the matriculation fee—ten dollars.

6. Graduates in Medicine of any College in the Dominion,

excepting those of Ontario, are exempted from passing the Matriculation Examination of the Council upon paying ten dollars, provided they can show that they have passed a Matriculation Examination in the College from which they have graduated equal to that established by the Ontario Medical Act, and completed thereafter four years of study &c.

7. Every medical student shall be registered in the manner prescribed by the Council after matriculating, and such registration shall be the necessary preliminary to medical study.

SECTION 2.

MEDICAL CURRICULUM.

1. Every student, after matriculating as above, must spend a period of four years in actual professional study, except as hereinafter provided.

2. A student who is a graduate in Arts of any recognized College or University will be required to pass three years after graduating in attendance upon medical lectures, before being admitted to examination.

3. Every student shall attend medical lectures for at least three sessions of six months each.

4. The final course must embrace at least four subjects of six months each.

5. Each six months course shall consist of not less than one hundred lectures.

- k. Surgery, other than Operative.
- l. Theory and Practice of Medicine.

5. The examination on the Primary branches and first eight subjects of the Final is in all respects the same for every candidate.

6. Any candidate who at his *Primary* or *Final* Examination passes creditably in three or more branches, but fails in the others, shall receive credit for the subjects so passed, and be compelled to pass in the other branches only at a subsequent examination.

7. Students who intend to be examined by the Homœopathic or Eclectic Examiners in the last four branches of the Final Examination, shall signify their intention to do so to the Registrar previous to the commencement of the Examinations, in order that he may provide means of preventing their identification by other students, or by the Examiners.

8. The next Medical Examination will be held in Kingston, due notice will be given of the time and place thereof.

N. B.—*Every reasonable arrangement will be made for the convenience and comfort of candidates attending the Examination.*

SECTION 4.

SCALES OF FEES.

1. The following are the several fees charged by the Council to students during their career:—

- a. Matriculation Examination \$10 00

This is payable to the Matriculation Examiner at commencement of Examination. Unsuccessful Candidates will have \$6 00 returned to them.

- b. Registration of Matriculation :—

1. Those examined before Council's Examiner. No CHARGE
2. Those examined by various Colleges prior to July, 1869, if names have been reported to the Registrar by the College at which they were passed. \$ 2 00
3. Graduates and Matriculants in Arts of recognized Colleges \$10 00

- c. Primary Examination \$10 00

This is to be paid to the Treasurer of the Council before the commencement of Examinations. Unsuccessful Candidates will have \$3 00 returned to them.

- d. Final Examinations * \$40 00

This fee is payable in the same manner as the last. Unsuccessful Candidates will have \$30 00 returned to them.

- e. Registration of additional Degrees or Titles.—Each \$ 2 00

2. All fees must be paid in lawful money of Canada, and except when otherwise specified, are to be paid to the Registrar of the Council.

SECTION 5.

*RULES FOR CONDUCT OF EXAMINATIONS.**For Board of Examiners.*

1. In the Written Examination, each Examiner shall prepare the questions upon the subjects allotted to him.

2. The questions proposed to Candidates are to be dictated to them at the commencement of the examination upon each branch, or subdivision of a branch, and are not to be circulated in printed form.

3. Each Examiner is to furnish the Registrar with a copy of the questions proposed by him at the written examination,

* Gentlemen who may pass any future Final Examinations will be entitled to registration without payment of any additional fee, except for additions to the qualification.

with the view to their being ultimately printed under the direction of the Council, if considered necessary.

4. The written answers to questions are to be handed to the Registrar, who will open the envelopes, and to each set of papers affix a number by which the author shall be known by Examiners, during the examinations. The Registrar will then deliver the papers to the Examiners.

5. The papers, when returned to the Examiner, are to be by him examined, and the relative value thereof marked by means of numbers, from 0 to 100, in the Schedule which will be furnished him by the Registrar.

6. The values awarded by the individual Examiners to the answers of Candidates are not to be subject to revision, except by an appeal to the Executive Committee, or (if desired) to the Council.

7. The papers on the subjects of the general examination are to be finally submitted to the whole Board for approval or rejection; and those of the special examinations (in Homœopathy or the Eclectic System of Medicine) to the Examiners approved of for that purpose by the representatives of those Systems in the Council.

8. The oral examinations are to be conducted by the whole Board of Examiners. Any member may put such questions to Candidates, upon any of the subjects of examination, as may to him appear proper.

9. The passing or rejection of any Candidate is to be decided by a vote of the whole Board.

10. The written examination shall be concluded, the answers valued by the Examiners (whose decision in the special* subjects shall be final), the schedules compared, and, so far as the written examinations are satisfactory to the Board, the decision must be recorded in favor of the Candidate before he is brought face to face with the Examiners in the oral examination.

* *i. e.*—in Homœopathy or the Eclectic System of Medicine.

11. The questions of the Examiners in Homœopathic or Eclectic specialties shall be dictated immediately after those of the other examiners in the same branch, and are to be taken down by all the students. But only those who have given notice in accordance with clause 7 of SECTION 3, will be required to answer the special Examination papers.

For Students when in Examination Hall.

12. In all the subjects of Examination, each student must write down all the questions as they are dictated by the several Examiners, whether general or special.

13. The answers are to be written upon one side only of whole sheets of paper, which are to be paged and fastened together in order, by means of paper fasteners, at the top left hand corner in such a manner as to have the first page facing outwards to the view, they are then to be folded neatly and enclosed in an envelope, (on the outside of which each Candidate is to write his name,) and handed to the Registrar or some one deputed by him. Neither signature, number nor sign is to be written or marked upon any of the sheets enclosed in said envelope.

14. In using abbreviations, Candidates will take care to use only those which are generally understood, or which cannot be mistaken.

15. No Candidate will be allowed to leave the Hall after the questions are given out, until his answers have been handed in.

16. No student will be allowed in the Hall during the hours of examination, except those actually undergoing examination.

17. Any Candidate who has brought any book or reference paper to the Hall, must deposit the same with the Examiner, immediately before the commencement of the examination.

18. Candidates must not communicate with each other while examinations are going on, either by writing, signs or words

19. Any infringement of the above rules will lead to the exclusion of the person who is guilty, from the remainder of the examinations.

20. Each Candidate will receive a ticket from the Registrar, which will contain a list of the subjects in which he has to pass, and which will admit him to the Examination Hall during the progress of each of such Examinations, and no other.
